Dedication

How grand and liberating this experience is, when people learn to help each other. It's impossible to overemphasize the immense need humans have to be listened to, to be taken seriously, and to be understood.

The Senior Class of 1978 is honored to dedicate our annual "Days of Our Lives", to you, Mr. Aude and to you, Mrs. Kallstrom. We sincerely appreciate your willingness to give advice, to guide us, and to be our friends. The days of our high school lives have passed quickly, but we will always remember your devotions to our class.

CLASS OF 117811

The Senior Class of 1978 first entered the halls of PCHS as naive freshmen. Adjusting to the ways of the upperclassmen, they next chose their Homecoming attendants. The class picked Debbie Doughty as their representative, and she chose Jeff Ebensperger as her escort.

They returned the following year as sophomores and participated in the Senior's Homecoming by picking attendants. They chose Gwen Girard, who was escorted by Bob Binkowski. The class next sponsored a dance.

They came back to the halls of PCHS as Juniors, feeling big, but not yet bosses. Representing the Juniors at Homecoming were Jodi Hanson and Mark Larson. The class finished up their BLUE DEVIL'S sweater sale and ended up with a \$300 profit. The class chose Chris Zimmer and Eddie Carroll to reign as King and Queen for their Winter Carnival. The theme was "Misty Winter Night".

The last year, the class of 1978 began with the organization of Homecoming. The theme was "You Light Up My Life". The Queen was Debtie Meyer and she chose Gordy Luebker to reign as King. After the excitement of Homecoming, they had a successful magazine sale. They are preparing for a class trip. The grand finale will come on the Sunday following the return of the class trip, when the class will conclude their years at P.C.H.S. moving into the future.

Candy sold by Juniors

The class of "79" began their year by taking part in Homecoming by selecting Gloria Spindler as their attendant and Mark Fredrickson as her escort.

The class next tried to sell T-shirts. The next money-making project they are planning is to sell candy.

One of their biggest decisions for this year is selecting a class ring.

Sophomores enjoy second year at PCHS

The Sophomores began their year by contributing to the festivities of Homecoming and selecting Robin Klinski as their attendant and Dan Schmitt as her escort.

One of the first money-making projects the Sophomores undertook was a card party held on November 11, 1977. Everyone enjoyed the card party and the class of '80 made a considerable profit.

The Sophomores have had many new experiences this year such as coordinating themselves for typing and overcoming their stage fright in speech class.

Freshmen learn PCHS techniques

The class of '81 began their year by choosing class officers. From then on they started organizing activities such as: concessions for their football game; choosing their attendant and also planning their skit for Homecoming. For their Homecoming attendant they chose Jill Girard and her escort Tony Beyer.

When the Freshmen began their year, they had to adjust to the life of a high school student. They had to remember their locker combination and adjust to their new teachers.

Girls Have Successful Softball Season

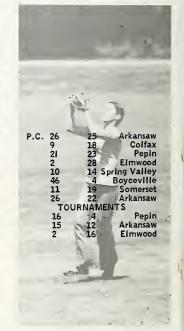

Girl's Softball Team. Left to Right, Back Row: Coach-Pat Langkau, Betsy Martin, Lori Hines, Laurel Von Holtum, Leah Haglund, Michelle Weiss. Middle Row: Lisa Carroll, Donna Hase, Adele Helmueller, Lori Klein, Audrey Maxwell. Front Row: Lori Binkowski, Amy Gilles, Ann Klein, Robin Klinski, Sally Milliren.

The season was a difficult one because our team was a young one: no seniors, four juniors, four sophomores, and seven freshmen. Three of the freshmen were starting players. We did improve as the season progressed, and the experience definitely helped. By the time tournaments came up, the girls pulled together and came up with victories at the subsectionals, only to go down in defeat in the sectionals to Elmwood, the resulting State Championship team for 1977.

Our strong batters were Lori Klein, Betsy Martin, and Lori Hines. Our starting pitcher was Sally Milliren, who did a good job. Back up pitcher was Robin Klinski, a Freshman with lots of potential. Strong in defense was Lisa Carroll, Lori Binkowski, Lori Klein, Lori Hines, Laurel Von Holtum, and Ann Klein. Leah Haglund, a freshman, did a good job as starting catcher.

The 1977 baseball squad completed one of the finest seasons in the school's history. Their 8-1 conference record earned a 2nd place finish behind a powerful Elk Mound squad. The 13-3 overall record was truly another outstanding accomplishment to a sincerely dedicated team. Although teamwork was our strong point, we were led by many excellent individual performances. Pitching was led by Gordy Luebker 10-2 and Bob Parsons 2-1. The hitting of Luebker .530, Ed Herbison .513, and Jerry Kegler .450 chased many runs across home plate. Our defensive play was good throughout the year, because of the experience we had at all positions.

We had three players voted to the all-conference team: Gordy Luebker-pitcher, Ed Herbison-outfielder, and Tim Clare-catcher.

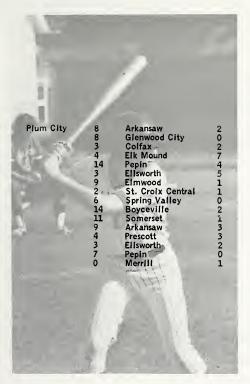

Tournament play saw us bring home the first basebail trophy in the school's history. We defeated Prescott 4-3, Ellsworth 3-2, and then the Regional Championship by downing Pepin 7-0. Sectional play paired us with a tough Merrill team which had been to the state tournament two of the last three years. In 1974 they were state runners-up, and in 1976 they advanced to the quarter finals. They defeated us 1-0, advanced to the state tournament and lost their second game to eventual state champion's Janesville Parker.

Volleyball finishes third in conference

The season ended with the Varsity team in third place with a 7-3 record. Considering that the team was mostly young and inexperienced — only two seniors were back — the girls did very well. They went up against teams with far more experience, and they held their own.

The two returning players, Betsy Martin and Lori Klein, held the team together. Lori received all-conference and Betsy Martin received honorable mention. Both were strong servers, net players, and defensive players.

Juniors out for varsity were Eloise Eccles, Joann Hague, Brenda Ingli, Sally Klevgard, Chris King, and Shirley Klein. They improved tremendously and showed a great deal of speed in handling the ball. They are a tough group of competitors.

The one sophomore out was Robin Klinski, who showed a great deal of ability for one with youth and one year's experience.

The Junior varsity team ended in the middle with their record. Although there were several experienced players out, there were a number of freshmen out, and all were given the opportunity to play. We are hoping to groom these players for varsity quality the next few years.

Built around the nucleus of eight returning lettermen and eleven seniors, the hopes of a winning gridiron season seemed at hand. However, hampered by many early injuries, and inexperience and depth at some positions, saw us drop our opening game to St. Croix Central by a score of 13-6. This was a very crucial loss. If we had won the game it may have changed the entire season. Bouncing back with pride and determination, saw us play our bigger and stronger opponents on almost an even basis, losing to conference champ, Elmwood, by a 14-6 score. The Boyceville game brought us our first thrill of victory and gave us the much needed inspiration for the weeks to follow. Some outstanding performances were seen this year as Gordy Luebker led the conference in total offense, and he also was named honorable mention quarterback for his efforts. He received all-conference defensive honors at linebacker. Ed Herbison, Mark Larson and Mike Longsdorf ranked 1, 2, and 3 respectively in pass receptions and Mark Larson received honorable mention and honors. A winning season it was not, but the building of pride, character, and dedication definitely made it a most successful one.

FFA holds annual fruit sale

The FFA, under the new direction of Mr. Richard Moses, has been very active in 1977-78.

The state convention in June '77 was attended by Bill Gilles, Keith Hines, and Dennis Haglund. It was held in Green Lake.

On Saturday, August 13, Tom Pittman went to Bloomer for the sectional competition of the FFA Tractor Driving Contest. He came in 5th place.

The FFA was successful in the fair venture this year. They received a 2nd place on their booth. The tractor pull was not so successful and was canceled due to the rain. The group had good participation in their annual fruit sale, as well as the school forest clean-up. The FFA also sponsored a social function for the high school: a roller-skating party at Menomonie on January

Band has spirit plus

Starting the year off, the Band got into the spirit with parades at 05-seo and Glenwood City. Under the direction of Merlyn Aude, his second year at Plum City, the Band developed their music. A positive help for the band is its size-the largest in years. The pepband added to Homecoming by their Homecoming halftime show featuring the sounds of "Chicago." The pepband keeps busy playing for pep fests and games. The Concert Band also keeps busy. Besides concerts, they also prepare and practice for contests.

Chris & Eddie reign over "Misty Winter Nights"

Winter Carnival last year was sponsored by the Class of '78. Winter Carnival was planned differently last year than it has been in past years. The reigning King and Queen were not picked until the day before the dance. The three couples chosen for this event were: Christy Zimmer and Eddy Carroll; Shelly Glaus and Eddy Herbison; & Debbie Doughty and Jerome Wittig. The new King and Queen were crowned by 1977's King and Queen; Ken Milliren and Debbie Omsberg. The Winter Carnival theme last year was "Misty Winter's Night." During Winter Carnival week, a number of activities went on. Also, on Tuesday we had a tricycle race which the Class of '78 won. Throughout the week, we had Ping-Pong and Freethrow tournaments. On Friday night, the Plum City Blue Devils hosted the Somerset Spartans in the Winter Carnival game. As an ending to the week, the traditional Winter Carnival Dance held in the gym. Music was presented by the Inner City Express.

Dance was highlighted by couples walking over the bridge. Pictured left to right are Jeff Ebensperger, Sally Milliren, Dan LaBrec, and Cindy Wieser.

The Homecoming week started on Monday, October 10, with Kid and Sucker day. The week continued with great participation with Freak Day, Senior Day, Backto-the-Fifties and Blue and Gold Day. Exceptional spirit was shown in this year's dress-up days. The annual powder puff game was held under sunny skies on Wednesday afternoon, and the bonfire and skits were held Thursday evening. The Super Seniors won the skit and the Juniors won the Spirit Jug for their class cheer. Homecoming spirit came to a head in the Homecoming game on Friday night, October 14. The Big Blue came through by a big win over the Glenwood City Toppers. For the dance the student body chose Debbie Meyer as Queen. She chose Gordy Luebker as King. Betsy Martin and Todd Glaus were Senior attendants. Gloria Spindler was the Junior attendant with Mark Fredrickson as her escort. Robin Klinski and Danny Schmitt were chosen to represent the Sophomore class. Jill Girard and Tony Beyer were the Freshmen attendants. Music for the dance was provided by "None of Your Business."

Study, Study, Study.

Dressed to kill !!!

Holy Moses, is this a tricky problem.

Now, let me give you the facts ...

Grinding an orange! Is this the new Anita Bryant ???

Catch a falling egg ...

Isn't she lovely !!!

But of course I like school.

Mitch, are those your flowers ??

Who is that guy out there ???

Mrs. Einstein ???

What a cookie.

Shake, rattle, and roll.

"Oh, how gross !!!"

"He makes me so mad"

Now what'd they do??

Monkey Pile !!!!

Working for once.

Get ready Bernie, here she comes.

Oops, wrong door Jiverson!

A Venus Flytrap !!

What's so funny, girls?

Better watch out, Lindsey.

Here comes Flash!

Yep, it's still there.

That's not funny, Gord!!!

Doing what he knows best, resting.

School is a real kink in the head.

Sitting pretty.

Super Cool!???

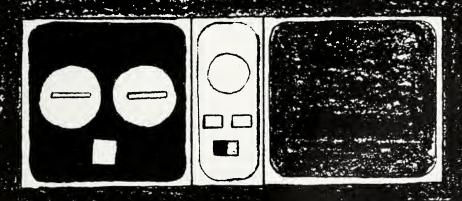

Future Homemakers???

Inmates discharged for the day.

... And Now A Word From Our Sponsors!
